- The Company will pay the undisputed invoice amounts after 30 days of the Company receiving the invoice from the Contractor.

5. Other Information

- This SOW may be terminated by The Company at any time by giving 2 weeks written notice to Contractor, or immediately for cause, including but not limited to a violation of one of the covenants of the Agreement.
- Contractor & Contractor Resource undertakes to ensure a level of security appropriate to the nature of the data to be protected and the harm that might result from any unauthorized or unlawful processing or accidental loss, destruction of or damage to any such personal data and shall comply with any of Company's instructions in relation to the collection, processing and disposal of any personal data.
- The Contractor's Resource hereby assigns to the Company by way of future assignment all copyright, design right and other proprietary rights (if any) for the full terms thereof throughout the world in respect of all copyright works and designs originated, conceived, written or made by the Contractor's Resource (except only those works or designs originated, conceived, written or made by the Contractor's Resource wholly outside their working time which are wholly unconnected with their appointment) during the period of their appointment by the Client.
- Contractor realizes Company may disclose to Contractor's Resource confidential information related to the business processes, apparatus, products, researches, research programs or any and all other information considered proprietary in nature. In consideration of the terms of the Agreement, Contractor agrees that any confidential information, including but not limited to, written embodiment thereof, is the property of Company and is to be held by Contractor's Resource in trust solely for Company's benefit and shall not be used or disclosed to others either during or after termination of the agreement.

- Confidential Information includes, without limitation, confidential or secret information relating to the Company's customers, suppliers, business ideas, business methods, prices, marketing initiatives, development plans, computer systems and software, know-how or other matters connected with the services provided by the Company recorded or stored in whatever form, including but not limited to lists, databases, floppy disks, and mobile telephone records. Also, materials deemed to contain confidential information that is in the possession of Contractor's Resource including copies, note extracts, etc. of any kind are to be returned to Company.
- In case of any planned or unplanned leave during these **13 weeks** (or till completion of this assignment – whichever is earlier) the contractor would provide a back-up resource to The Company within 24 hours. This is to ensure that there is no slippage of deliverables and schedule.
- In case of any leaves to be availed by contractor, a written/e-mail confirmation from Company / Company Rep is required. Working over weekend or staying late would either compensate the activities or tasks, which remain incomplete on such day. This is to avoid any schedule slippage. This option will be considered only in case of delayed onboarding of replacement resource, which is discussed and agreed by The Company & The Contractor). And such compensatory activity will not be charged back by Contractor to The Company.
- The knowledge transfer during such instances would be Contractor's responsibility and no additional charge will be applicable against the same.
- The Contractor resource is required to keep the Company project manager updated about any project related activity, leaves (at least 2 weeks in advance in case of any planned leave).
- The Contractor/ Contractor Representative and Company/ Company Rep will have weekly touch point to review contractor resource performance, improvements, issues/challenges to ensure further benefit to project.
